

NSF Campus Cyberinfrastructure Grant Recipients Panel

KINBERCON 2016
April 12, 2016

Presenters

- **Wendy Huntoon** - President and CEO, KINBER
- **Carrie Rampp** - Associate Vice President and CIO, Franklin & Marshall College
- **Ron Smith** - Director, Network & Infrastructure Services, Information Technology Services, Bucks County Community College
- **Lisa Angelo** - Dean, STEM Bucks County Community College

Program Background

The Campus Cyberinfrastructure program invests in **campus-level data and networking infrastructure and integration** activities tied to **achieving higher levels of performance, reliability and predictability** for **science applications and distributed research projects**. **Science-driven requirements** are the **primary motivation** for any proposed activity.

Project Overviews

- **CC*DNI Campus Design: Building a State-Of-The-Art Research Network at Franklin and Marshall College**
- **CC*DNI: Energizing the Future of STEM@Bucks**

Questions for Panel

- How did you engage your faculty and staff to plan your proposal?
- Were there any significant changes to your overall approach to campus networking as a result of this grant/grant process?
- What outside support or expertise, if any, do you think you will need to accomplish your project's goals, and where will you seek that support?

Thank you!
Q&A
